

The menu bar

The screen shot shows the menu bar including *Admin*. Students would not see *Admin* in their menu.

The table (right) gives a quick guide to the menu items.

File	For signing off/exit
Users	For signing on extra players during a session and also for list of Wordshark administrators
Settings for (Name)	Personal settings and for on-screen keyboard
Actions	Essential functions – including creating own word lists , recording words, printing lists, viewing your personal records
