

# Choosing *Search* to find a list

If you want to find a particular word, or letter pattern or topic, you can use *Search* to do this quickly. Go to *Search* (menu bar) and click.

Type the word or spelling pattern you need into the box, for example 'ee'.

Click on the titles in the left hand column to find a suitable list – the words are shown over on the far right.

Click on the *i* if you need more information.

Click on *Select* to return with this list to the games screen.
