

# Printing out resources

## Printable resources

Worksheets	Go to <i>Actions\Print sums</i> The worksheets can be tailored in several ways – see under <i>Worksheets</i> below.
Full Numbershark sectioned manual	Mark the pages you require of the manual and print
Printable resources.	Under <i>Help\Printable resources</i> These include a full list of topics, a student record sheet, certificates
Student records	Under <i>Admin\Add and manage students</i> . Select the student and then <i>View</i> . Mark the sessions you want and select the print button
Certificates	Under <i>Help</i> – these can be printed and filled in by the teacher
Sumsearch	From within the game

## Worksheets

Available under *Actions\Print sums* or the print icon.

You can, if you want, tailor the worksheet layout to suit your own preferences.

This includes how the 'sums' are set out and how you want the answers to be displayed (the default is to print them on a separate sheet). After saving your new formats it is possible to use these with different topics.
